Open letter from Philanthropy to the First Nations of Australia We support the Uluru Statement from the Heart

Thank you for your Uluru Statement from the Heart, an invitation to Australia and the Australian people.

We make this response as members of the philanthropic community in Australia, committed to a reconciled Australia and one that is respectful of the spirit of self-determination.

We share your vision for Australia's First Nations to take their rightful place in Australia and fully embrace your vision for your children to walk in two worlds. We thank you for and embrace this gift of your culture, which will give us all a fuller expression of Australia's nationhood.

We recognise the Uluru Statement as a historic mandate for change and understand that all Australians have a great responsibility to walk alongside our first Australians in the call for constitutional reform and in the need for truth-telling about the history and impact of colonisation.

We hear and support your call for the establishment of a First Nations Voice enshrined in the Constitution and for a referendum to achieve this as a national priority.

We hear and support your call for a Makarrata Commission to supervise a process agreement-making between governments and First Nations, and truth-telling about our history.

We commit to working with you and standing by you and all Australia to achieve the aims of the Uluru Statement from the Heart.
